For sure

There's no one else here
around me

Sinking my feet in the
sand

I'll be right here on this
island

I hope that you understand

Ooooo ya

I'm feeling it I'm feeling
it

Ooooooya

Come to me quick come to

a e i o u

me quick

I just wanna go where love
is alive
Love is alive love is
alive

Love is alive when you
don't have to prove it
Unafraid there's no way to
lose it

Oh I just wanna go where
love is alive
So I'm gonna do that

I just wanna go where love
is alive

I just wanna go where love
is alive

All of the chaos surren-
ders

Changing the currents and
tide

The water can keep getting
deeper

Cause I'll be right here
staying dry

Ooooo ya
